Steel Machinery/Vending Machine Lifts 16-1/2 In. x 23 In. x 49-3/4 In. 4000 Lb. Capacity Red

MODEL MFM-4-RAL

Industrial Carts & Dollies / Machinery Lifts

PRODUCT OVERVIEW

These machinery and vending machine lifts are the ideal method to move bulky and hard to handle loads. Move large, awkward objects or heavy equipment that is difficult to maneuver or position like refrigerators, safes, furniture, or machines. Yet they are versatile enough to safely handle fragile, sensitive equipment like glass, and computers. Optional side straps secure loads for stable moving. Large wheels allow smooth movement over bumps and cracks of factory floors. Forks are adjustable with mounting pegs to allow for positioning of forks to accommodate different width loads.

KEY FEATURES

- Move bulky items vending machines
- Large wheels allow smooth movement over bumps and cracks of factory floors
- Adjustable forks allow positioning to accommodate different width loads
- Use in industrial applications for optimal results

CORE PRODUCT DATA
