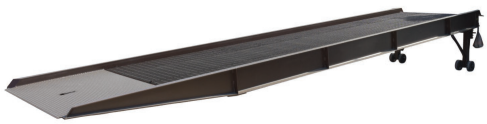
Steel Overlap Yard Ramp 85 In. x 30 Ft. 20,000 lb. Capacity Earth Tone Brown

MODEL YR-20-8530

Loading Dock Equipment / Steel Yard Ramps



PRODUCT OVERVIEW

The portable steel Yard Ramp quickly loads and unload trucks, trailers and rail cars from ground level when no freight dock exists. Increase productivity while reducing material handling costs. Great for construction sites. A manual two-speed hand crank for easy one (1) person height adjustment. The standard features include: positive traction open steel grating, safety locking chains, rubber bumpers and fork positioning loop. Painted neutral earth-tone brown. Includes landing gear and crank mechanism.

KEY FEATURES

- Steel side curbs prevent fork truck run-off
- Overlap style lip with safety chains secures ramp to trailer
- Open grating design allows snow, ice and rain to fall through
- Manual two-speed crank easily adjusts to different dock heights
